

**REMARKS**

Claims 2, 3, and 17-20 are cancelled herein. New claim 21 is added. Therefore, it is respectfully submitted that claims 1, 4-16, and 21 are currently pending and under consideration.

Claims 3-8, 10, 15 and 16 are "objected to." Therefore, claim 1 is amended to include the features of "objected to" claim 3, to thereby place all the claims in condition for allowance.

New claim 21 corresponds to "objected to" claim 10, written in independent form to thereby be allowable.

There being no further outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early action to that effect is courteously solicited.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

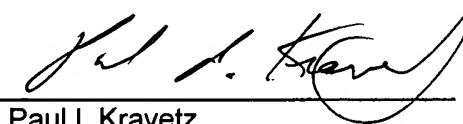

Respectfully submitted,

STAAS & HALSEY LLP
